營隊特色：

- 將美國高中課程原汁原味呈現校園讓學生不用出國也能體驗美國高中上學生活。
- 所有教案皆為美國教育部審定高中教案。
- 每日課程皆附有教案及學生講義。
- 結訓前各組皆有英語戲劇或才藝演出。
- 每 25 名學生分一小組，不同科目將以美國高中方式跑堂，除了外籍老師之外，各組另搭配一名雙語隨隊隊輔人員。

課程大綱：

Science(自然): Most of our students have the chance to take basic science classes and do experiments in regular school, but we hope to teach the students with an English environment under the following subjects. Experiments will be a major part of the classes as well and the scientific method.

-  Astronomy 天文探索
-  Biology 生命科學
-  Chemistry 化學實驗

Social Studies(社會與人文): This subject is to help students to understand a little more about activities and cultures across the world. With the world as it is good for our students to understand subjects and colloquial things that students in America might converse about.

-  Greek Mythology 希臘神話賞析
-  Poker Theory 美式撲克牌
-  Geography 世界地理大觀

Arts(藝術): The arts are a subject that seems to be losing grasp in our world today. These courses will encourage students to look beyond what is popular and look more at what was considered art in the past and what is considered art in the present. This will also include works by the students themselves.

-  Music Appreciation 音樂賞析
-  Skit Class 才藝表演
-  Reporter 英語主播
- 

Physical Education(體育): Many games are played by American students that are no conventional sports but teach team work. These games are to teach students the different activities participated by students in America.

-  Crab Soccer 螃蟹足球賽
-  Kick Ball 美式球賽
-  Dodge Ball 美式躲避球
-  Ultimate Frisbee 花式飛盤
-  Capture the Flag 美式搶旗遊戲 ✓
-  Rugby 英式橄欖球

Language(語文): There is much more to language than grammar and compositions. These courses will take English to a higher level and into a realm that our students don't normally get to participate in.

-  Poetry 詩詞欣賞
-  Spanish 西班牙語
-  English Literature 英文文學

營隊預期目標：

- 活動提升學習興趣，提升美語聽、說、讀、寫能力。
- 提前體驗 99 課綱選課跑堂精神。
- 讓學生感受有別於台灣高中生活的美國高中課程體驗活動。
